Who we are

Markaz Barkat-e-Raza Trust is registered under Bombay Public Trust Act and Society Registration Act, 1950. Our mission is to provide quality education to the students of educationally backward and economically weaker sections of the society, irrespective of caste, colour and creed. Our main focus is on the youth. We aim at providing them with better facilities of quality education so that they will be able to exell in this competitive world and to make their future bright. We have been supporting the needy students in the rural areas of country to make their lives better economically, socially, culturally and physically since 2006.

Our Goal

At present, MBR Educampus has acquired five acres of land in Kishanganj, Bihar. Our mission is to build a school and a college along with hostel facilities and special arrangements for Islamic education and training for the moral and spiritual upbringing of the students. Our focus is on every child who cannot afford to meet the basic needs of education. We aim to provide them excellent quality education so that they can compete with the students coming from elite backgrounds.

Appeal

For now, a small amount of money has already been paid for the land and registration fees. In order to meet the expenses, we are looking for sponsors who are willing to help us in this noble cause. We request them to make generous donations towards meeting the major expenses. Please support us in building this institution with your financial help as well as with your good wishes. "Donate to our early education programme, because learning can't wait." Constructive suggestions and queries are solicited and always welcome.
